CLASSE
EXPORT

International Assistance : our team of experts helps you

You can benefit by our specialists' experience as if they were part of your firm. We give answers to 6 000 questions on average per year about various topics from different countries.

Capitalize on our worldwide data network with up-to-date informations.

Secure your business abroad : hundreds of firms have already saved time and money. We help your company win in reactivity and secure financial operations. Thus, you avoid the dangers of international trade which continually evolves.

Take advantage of our shared experience, our linguistic skills and our capacity to anticipate your international business issues.

An independent, reliable, multi-source and cross-checked information. We are totally free and multi-network. You are our client, we answer your question, and if necessary we can apply to specialised structures to give you the precise details you need.

Our offer is profitable : we gather and summarize the information sources for you. Indeed, you will save money as soon as you ask your first question and you will cushion your subscription very rapidly.

The themes we deal with everyday are about :

- regulations
- customs
- transport
- logistics
- payment
- financial & commercial information
- markets perspectives
- human resources
- translation (60 languages)
- supplier sourcing
- foreign contacts search
- business setting-up conditions
- legal structure creation
- ...
